

What is the only country
in the Middle East
where Christians, Muslims,
and Jews can vote

Israel

Israel is the only true democracy in the Middle East, holding regular elections for all seats in its government.

Israel stands alone in the region with representatives of major ethnic and religious groups serving in parliament and participating actively in the political process.

Israel is the most multi-ethnic country in the Middle East, home to thousands of immigrants from Asia, Africa, Europe, and South America.
